

Counter Refrigerator / Freezer

Design to combine the convenience of worktop space with cold storage located below and are available in door / drawer models to meet your every expectation

Features:

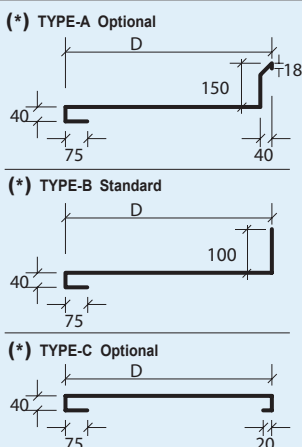

- Two temperatures: refrigerator +1 / +4, freezer -22 / -18
- Choice of door/drawer combinations in any section offer easy access to stored product
- Choice of s/s splashback profile to prevent spillage behind the counter
- Standard left side air-cooled refrigeration system
- 60mm thick foam-in-place high density polyurethane (CFC-free) insulation
- #304 stainless steel top, front and interior for hygiene and food safety
- Standard anti-condensation door mullion heaters
- Eco-friendly (non-ozone depleting, chlorine free) refrigerant: R134a for Refrigerator & R404a for Freezer
- Built-in heated vaporizer, drainage is not required
- Forced air refrigeration for efficient operation and even temperature distribution
- Automatic defrost system
- The storage compartment has smooth surfaces and coved corners for easy cleaning and hygiene purpose
- Self-closing door(s) with complete air-sealed magnetic gasket to ensure no unnecessary cold air loss when accessing stored product
- Pre-installed cylindrical lock for security purpose
- Microprocessor control system with easy to read digital display ensures accurate temperature control

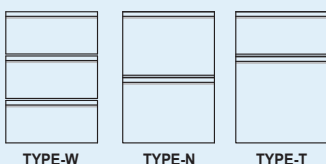

Model No.: CBC-R2CS-CWWD

- All counters supplied on 150mm adjustable legs as standard. Castors and plinth mount options available upon request
- Optional features include: stainless steel wire shelves, pass-through door, heavy duty castors, choice of exterior finishes, right side condensing unit, open top G/N storage design (available in ambient temp. or refrigerated), ultra clear double-pane glass door (for refrigerator only), marble top, internal LED (for refrigerator with door model only)

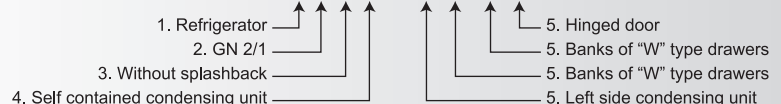

Type of splashback

Type of drawer

CBC - R2CS - CWWD (As photo above)

Product Code Description

1. Type of fridge		Refrigerant & Temp.
R	Refrigerator	R134a refrigerant, Temp. +1 ~ +4°C
F	Freezer	R404a refrigerant, Temp. -22 ~ -18 °C
2. Size of compartment		
1	GN 1/1	
2	GN 2/1	
3. Type of splashback		
A	Vertical, slant at top (height : 150mm)	
B	Vertical (height : 100mm)	
C	Without splashback	
4. Type of condensing unit		
S	Self-contained	
R	Remote	
5. Configuration (door / drawer)		
C	Condensing unit	Standard: left side Optional: right side
D	Hinged door with cylinder lock	
W	3 x 100mmH drawer	
N	2 x 150mmH drawer	
T	1 x 100mmH & 1 x 200mmH drawer	

Counter Refrigerator / Freezer

Design to combine the convenience of worktop space with cold storage located below and are available in door / drawer models to meet your every expectation

Specification

GN 1/1 Counter Refrigerator (+1 ~ +4°C)

Model No.		Full Solid Door(s)	Shelf (PVC Coated) Quantity	Power Rating (kW) (220V/1Ph/50Hz)	Compressor (HP)	Dim. in mm (W x D x H)
Self-contained condensing unit	Remote condensing unit					
CBC-R1BS-CD		1	2	0.7	1/4	880 x 700 x 850
	CBC-R1BR-CD	1	2	0.7	1/4	770 x 700 x 850
CBC-R1BS-CDD		2	4	0.7	1/4	1350 x 700 x 850
	CBC-R1BR-CDD	2	4	0.7	1/4	1220 x 700 x 850
CBC-R1BS-CDDD		3	6	0.8	1/3	1800 x 700 x 850
	CBC-R1BR-CDDD	3	6	0.8	1/3	1670 x 700 x 850

GN 2/1 Counter Refrigerator (+1 ~ +4°C)

CBC-R2BS-CD		1	2	0.7	1/4	1100 x 800 x 850
	CBC-R2BR-CD	1	2	0.7	1/4	970 x 800 x 850
CBC-R2BS-CDD		2	4	0.8	1/3	1750 x 800 x 850
	CBC-R2BR-CDD	2	4	0.8	1/3	1620 x 800 x 850
CBC-R2BS-CDDD		3	6	0.8	1/3	2400 x 800 x 850
	CBC-R2BR-CDDD	3	6	0.8	1/3	2270 x 800 x 850

Remarks Standard : Door, Splashback (Type B), Left Side Condensing Unit, Remote Condensing Unit (distance within 3 meter)
Optional : Drawer (Type W, N, T), Splashback (Type A, C), Right Side Condensing Unit, Remote Condensing Unit (distance exceeds 3 meter)
Refrigerant : R134a

GN 1/1 Counter Freezer (-22 ~ -18°C)

Model No.		Full Solid Door(s)	Shelf (PVC Coated) Quantity	Power Rating (kW) (220V/1Ph/50Hz)	Compressor (HP)	Dim. in mm (W x D x H)
Self-contained condensing unit	Remote condensing unit					
CBC-F1BS-CD		1	2	0.8	1/3	880 x 700 x 850
	CBC-F1BR-CD	1	2	0.8	3/8	770 x 700 x 850
CBC-F1BS-CDD		2	4	0.8	1/3	1350 x 700 x 850
	CBC-F1BR-CDD	2	4	0.8	3/8	1220 x 700 x 850
CBC-F1BS-CDDD		3	6	0.9	1/2	1800 x 700 x 850
	CBC-F1BR-CDDD	3	6	0.9	1/2	1670 x 700 x 850

GN 2/1 Counter Freezer (-22 ~ -18°C)

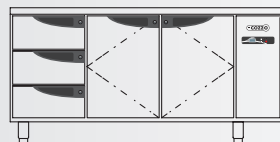

CBC-F2BS-CD		1	2	0.8	3/8	1100 x 800 x 850
	CBC-F2BR-CD	1	2	0.8	3/8	970 x 800 x 850
