

SCE-1-N2-GET

SCE-2-N2-GET

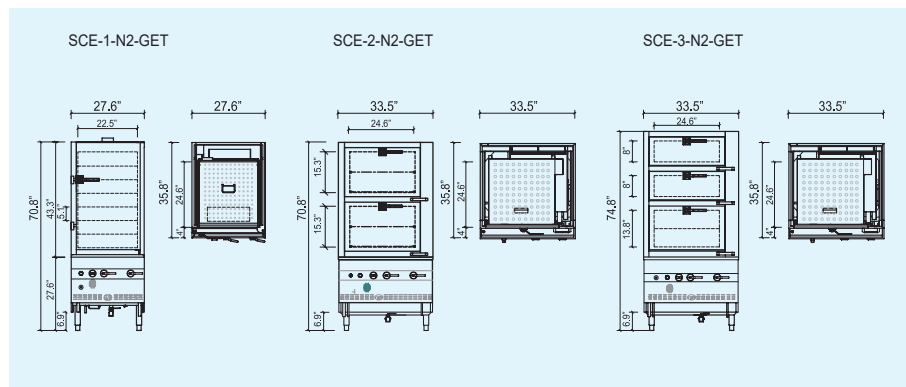

SCE-3-N2-GET

Features and Benefits

- ✓ Fast & powerful steam generation: from cold to full steam in only 8 minutes
- ✓ Efficient four tube turbo jet burner provides quick and even heating (operating noise level at 70dB approx.)
- ✓ Drop-down door type
- ✓ Door provides support for trays when loading and unloading
- ✓ Steam control for each compartment
- ✓ Flame failure device (thermocouple) cuts off the gas supply if the pilot flame is out to avoid gas leakage
- ✓ #304 stainless steel exterior for hygiene and resistance to corrosion and oxidation
- ✓ Automatic electronic ignition
- ✓ Air blower is not required
- ✓ Auto-fill water and overheat thermostat to protect boiler tank from damage

Stainless steel slatted bar shelving

Remarks

Standard Accessories:	7 pcs. stainless steel slatted bar shelving for single door steam cabinet. 4 pcs. stainless steel slatted bar shelving for two / three door steam cabinet.
Optional Accessories:	Ø430mm rice pan
Fuels available:	Town Gas, Natural Gas, Propane (L.P. Gas) (please specify gas type when ordering).
If any of these units will be installed in area with hard water supply, water softener shall be installed before water inlet of the unit to avoid any damages may occur to the heat exchange chamber.	
Daily cleaning & water draining from heat exchange chamber are required after daily operation.
